## DEMOCRATIC TICKET

For President.  
WOODROW WILSON,  
of New Jersey.

For Vice President.  
THOS. R. MARSHALL,  
of Indiana.

For Congress  
D. H. KINCHELOE,  
of Hopkins County.

For Circuit Judge  
CHAS. H. BUSH,  
of Christian County.

To bolster up the plea for a high protective tariff the Republicans have been claiming that this country would be flooded with cheap European products after the war. In a speech at Cincinnati President Wilson ridiculed the idea and showed that for many years the war stricken nations would be buyers instead of sellers. War has stopped nearly every industry, and they have not as the Republicans would have us believe been piling up goods to dump on us when the cruel war is over. They are too busy killing each other to do anything else and it will be a long time after hostilities before they recuperate. Some other excuse must be found for a return to the iniquitous Payne-Aldrich tariff, which robbed the poor to enrich the rich. The prosperity that we are enjoying has come to stay with Wilson at the head of affairs, and a tariff commission will recommend changes when necessary and help to take the question out of politics.

It is almost as important to have a Democratic Congress as a Democratic President, as the executive could do but little unless supported by a Congress in sympathy with him. The gentlemen nominated for Congress in this State have demonstrated their allegiance to President Wilson and helped him put over his program of constructive and progressive legislation. Every one of them deserves re-election, and it is the duty, as it should be the pleasure of every Democrat to roll up big majorities for them. Their names will appear on the ballot, below those of the electors for Wilson and Marshall, and a simple stamp in the square at the foot of the Rooster will insure your vote for them.

Are you willing that the gratifying conditions of peace, prosperity and plenty be changed to almost certainty of war and its fearful consequences, in the event of Mr. Hughes' election? If you are not, a vote for Wilson will help to keep him on guard to maintain the honor of the country and to see that American lives are protected on land and sea.

In his every public act, Candidate Hughes has shown his antipathy to the man who earns his living by the sweat of his brow, and his love for the man with a bank roll. Wall Street and the Interests are backing him for all they are worth, and if elected, he will pay them back with interest. Vote for Wilson and help to prevent the consummation of such a deal.

After going over the conditions in Indiana, Senator Tom Taggart adheres to his original prediction that the state will go 50,000 Democratic, and your Uncle Thomas generally knows whereof he affirms.

## WHICH WAY WILL YOU VOTE?

The WILSON WAY Means Peace

## The Wilson Way

Around 20,000,000 happy families the fathers of America will gather this night with their unbroken family circle, with their children upon their knees and their wives by their side, happy and prosperous. Contrast this with the fathers, husbands and brothers of the Old World dying in the ditches, with the gloom and mourning in broken family circles, where hunger crouches and disease trends. If this be "evil and vacillating," God prosper it and teach it to the rulers of the old World.

—Hon. Ollie M. James, at St. Louis Convention.

## The HUGHES WAY Means War

## The Hughes-Roosevelt Way

What Roosevelt Would Do As Secretary of War and Dictator to Hughes

"I have been asked what I would have done if I had been President when the Lusitania was torpedoed," shouted the speaker. "I would instantly have taken possession of every German ship interned in this country, and then I would have said: 'Now, we will discuss, not what you will give, but what we will give back.'—Theodore Roosevelt in a speech at Battle Creek, October 2, 1915.

With Hughes as President, and Roosevelt as Secretary of War, we would today be taking part in the European war and sacrificing hundreds of thousands of our fathers and sons and piling up billions of dollars of debt, and all to accomplish less than Wilson got by diplomacy.

## Helpless As a Baby

Valley Heights, Va.—Mrs. Jennie B. Kirby, in a letter from this place, says: "I was sick in bed for nine months, with womanly troubles. I was so weak and helpless, at times, that I could not raise my head off the pillow. I commenced to take Cardui, and I saw it was helping me, at once. Now I work all day. As a tonic, for weak women, nothing has been found, for fifty years, that would take the place of Cardui. I will surely do you good. Cardui is prepared from vegetable ingredients, and has a specific curative effect on the womanly organ. Try a bottle today. At your druggist's.—Advertisement.

## Facts About the Stars.

The Mt. Wilson solar observatory has completed a catalogue of the magnitudes and colors of more than a thousand stars in the globular cluster Messier 13. Nearly 11 per cent of these stars have negative color indices, suggesting that in this direction there is no marked absorption of light in space. Of the 400 brightest stars, 70 per cent are redder than a normal solar-type star; of the 400 faintest, 85 per cent are bluer than the normal solar-type star. By statistical methods the parallax of the cluster has been found to be less than 0.0001 second of an arc. Five new variables have been discovered in this cluster, making a total of seven.

## Feeding the Child.

Hunger is the best of all sauces for food, and the hungrier a child gets for its meals the more evidence there is of normal health. So forbid many between-meal bites for the youngsters who no longer need them—those who have passed the weakness of babyhood, when eating must be often to sustain strength. Supply sponge cakes more often than pound or fruit or spice cakes for the nursery table and allow candy, and that of a very simple sort, only after meals.
